Dear Friends and Neighbors,

Since 1956, Annie Jeffrey Health Center has provided quality care for you, your loved ones and our communities. The Foundation for Annie Jeffrey is a non-profit corporation organized to provide funding for projects (such as new medical equipment or facility renovations) that promote health care in the communities served by Annie Jeffrey Health Center.

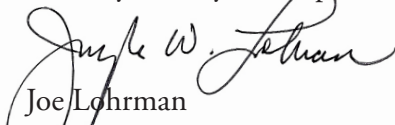

As you know, Annie Jeffrey Health Center has embarked on an ambitious remodeling project to improve the care of our community members. How exciting it has been to watch the different phases of our expansion projects! Since our expansion projects began we have been able to increase the services provided at Annie Jeffrey Health Center. Now it is time for Phase III. Phase III will allow us to provide more services and to relieve overcrowding in some departments. We invite you to continue your support of Annie Jeffrey Health Center by donating to the Foundation for Annie Jeffrey's annual campaign. The funds raised from this campaign will be used for Phase III of the facility's remodeling project plus fund new lab equipment. All monetary gifts are welcome, large or small. *Donors with accumulative donations of \$1,000 or more will be recognized on our "Wall of Commitment".*

- How much should you donate? The decision is yours. Every donation to our non-profit organization is important. The Foundation for Annie Jeffrey is a 501c3 foundation and all contributions are tax deductible to the extent allowed by law. And **100%** of your donation will be used in our medical center for what you indicate on your return card.
- Why should you donate to the Foundation for Annie Jeffrey? Because a gift of health is one of the most enduring gifts you can give. Just ask the Foundation for Annie Jeffrey board members: Brian Beckner, Terry Fusco, John Girard, Mary Lerch, Steven J. Peterson, Karen Stevens and Karleen Watts.

The health care future of our community looks bright thanks to your generosity. Our strength and ability to serve you grows with the charitable contributions of concerned individuals like you.

On behalf of Annie Jeffrey Health Center and the health of our community, we extend our sincere gratitude and appreciation.

Thank you for your help,

Joe Lohrman
