September 8, 2009

Dear Landowner,

Our vision is to continually improve community access to high-quality health care, which is made possible by facilities and professional staff. You can help us make our vision a reality by joining us in our **HARVEST FOR A HEALTHY LIFE** campaign. This program offers the option of making a tax free donation by gifting commodities to the Foundation for Annie Jeffrey.

Donating grain, rather than cash, is a popular form of giving in our agricultural community. An attachment to this letter gives information about the advantages of making a gift through a commodity program at your local elevator. The attachment is for demonstration purposes and you may wish to consult your tax advisor to discuss the advantages of making a contribution of farm commodities.

Join with us in our **HARVEST FOR A HEALTHY LIFE** campaign by completing your contribution on the Commodity Letter of Intention today. If you would like more information on other Foundation contribution options, please contact the Foundation for Annie Jeffrey at (402) 747-2031.

May you have a safe and bountiful harvest.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Branting". The signature is written in black ink and is positioned above the typed name and title.

Cindy Branting, Director
Foundation for Annie Jeffrey
