Covid-19 Notice

We are taking precautionary steps to protect our patients, community members and staff from COVID-19.

However, any patient experiencing cold or flu symptoms including but not limited to fever, coughing and/or shortness of breath, and are wanting to be seen by a healthcare professional, are being asked to call 402-747-2031 BEFORE going to the clinic or emergency room so we can be prepared

for your arrival. If you have not traveled from an area where COVID-19 is spreading or have not been in contact with an infected patient, your risk of infection is low.

It is understandable that you may feel anxious about the outbreak. Get the facts from reliable sources to help to know your risks so you can take reasonable precautions: <https://www.cdc.gov/coronavirus/2019-ncov/about/index.html>
