For other activities - See [Go 100 for Health Exercise Conversion Chart](#)

WEEK 2 NUTRITION CONTEST: Our focus for all 6 weeks will be increasing your intake of fruits and vegetables – our weekly contest will focus on several different areas to improve your overall daily intake. See information in your packet for serving size information. Your challenge this week is to add fruit and vegetable servings at lunch. For this week, record only those servings eaten lunch. Winners will be determined by total number of fruits and vegetables.
