Who We Are

At Annie Jeffrey Health Center, we strive and are committed to providing the highest quality health care in a multitude of settings. We focus on staying current with the constant achievements and evolving technologies in the services we provide. Annie Jeffrey Health Center works collaboratively with its community, patient population and other providers to achieve excellence in health care, respect for life, and respect for each other.

We are a state-of-the-art medical center operated by trained professionals. Our 16-bed Critical Access Hospital has a wide range of employment opportunities in both our clinical and non-clinical areas.

What We Offer

Annie Jeffrey Health Center offers a great work environment with a variety of services including Cardiac Rehab, Physical Therapy, Wellness and Dietetic Consultation.

We offer the opportunity to join a caring community where our employees are concerned about each other as much as they are about their patients.

Our Mission

We are committed to providing quality, personalized and compassionate health care in a safe and efficient manner to the people of Polk County and surrounding areas.

Annie Jeffrey Memorial County Health Center is a patient-focused health center governed by six core values:

- compassion and empathy
- collaboration and teamwork
- integrity and honesty
- community
- respect and dignity
- continuous learning and quality improvement

You will meet our CEO or Nursing Director while walking down the hallway. You can talk to them and they'll listen.

Our providers are committed to providing the finest personalized care in the area.

We offer a competitive wage and benefits package.

We invite you to join the staff at Annie Jeffrey Health Center to experience a career that makes a difference.
